This incredible 2-story Highlands Ranch home with a Walk Out and on a Corner Lot has exactly what you've been waiting for.

As you walk in, the home immediately welcomes you with a bright and open front living room with Vaulted Ceilings. This a perfect space for that chaise lounge chair you've been eyeing at Restoration Hardware!

A recently remodeled kitchen showcases gorgeous Cherry Cabinets, high end SS appliances which complement the granite slab counters and stylish backsplash. Entertaining here is a breeze with all of the counter space and room to spread out. There's even a cabinet mounted microwave in the island ideal for those that are "learning" how to use the kitchen.

You do not want to miss the stunning views from the elevated deck. A perfect combination of indoor and outdoor living meets here and you'll find yourself enjoying dinner outside on the deck many a nights to come.
